Job Title: Baker's Assistant

Job Summary: A baker's assistant is relied on to work directly under the head baker, and provides assistance to cake decorators while working in a fast-paced and clean environment. We are looking for a part-time baker's assistant who will contribute to the productivity of a cross-functional team in our kitchen. Training for this position will last until mid-spring, at which point we will require a commitment of 30-35 hours per week. The ideal candidate will be able to consistently replicate our recipes, and will be called upon to assist cake decorators with their day-to-day workload. We are seeking an individual who can be flexible with work hours, and displays a positive and friendly attitude when interacting with customers and coworkers.

Responsibilities: Baker's assistants are required to...

- Accurately interpret and follow recipes for cake batters, fillings, and frostings
- Produce consistent bakery products to meet our high-quality standards
- Maintain a safe and clean working environment
- Memorize product and service offerings
- Maintain accurate communication with supervisors, cashiers, and kitchen employees
- Wash, dry, and put away dishes
- Fill inventory

Qualifications & Skills:

- NJ Food Handlers license or comparable certificate required
- 1+ year experience in a professional/commercial kitchen required
- Ability to prioritize competing tasks quickly and efficiently
- Flexible weekday and weekend availability required
- Thursday, Friday, and Saturday availability required
- Exceptional organization and time-management skills
- A team player with a can-do attitude
- Excellent communication skills
- Positive and helpful attitude towards customers and coworkers
- Ability to lift 25+ pounds

About Us:
